Thanks to all those who came along to support the Group and help run the Regatta. Once again we did far more than our fair share, but what a great team we had there - both running the Regatta and taking part. The results speak for themselves. The Scouts were only 2 points behind 9th Lymington, who won! Our water activities team should be proud of the skills our young people demonstrated on the water and the young people should be proud of the part their parents played in helping at the Regatta.

Thanks to David & Sharon Miller for starting & judging the single kayaks, John & Julie Hinton for starting & judging the double kayaks and pulling, Stephen White for First Aid cover and helping the Programme Organiser, Paul Murphy for crewing a safety boat, Josh Cleall, Sally White, Claire Waine, Nicky Murphy, Mike Madgwick and Louise Poyntz-Wright for providing refreshments, Nick Poyntz-Wright for helping the starters, Richard Savage for marshalling, and David Chadwick, Programme Organiser. Thanks also to Jed, who helped chivvy the scouts to make sure no-one missed their races. Josh came along to cox a gig and ended up spending all day serving hot dogs and making tea. What a star - much appreciated by the many hungry youngsters. Our starters did a great job. Several leaders commented on how well John did with the coypus, showing great patience as the youngsters struggled to get them on station for the start. Thanks also for those who towed boats to and from the regatta. Our leaders, helpers and parents set a great example for the youngsters to follow. It was marvellous how all our supporters came up to me and asked "what can I do to help?", I hope you were all proud to be part of the Sandleheath team.

Stephen's photos are up at:

He didn't take many of the events, as he kept being distracted by having to sort things out.

Hopefully I'll be able to get you links to other photos soon.

Ros

(Thanks to Mike & Stephen for the photos)
